1. Although accounts of clashes between Rumanian resistance elements and government forces are in circulation, in actual fact the only outbreaks of violence are local riots of peasants exasperated by the actions of the regime. There are no strong resistance forces concealed in the mountains.
2. The Rumanian population has no knowledge of the activities of Rumanian refugees abroad, but does know of the formation of a Rumanian National Committee in exile. King Mihai is the personality in emigration who attracts any attention.

This document is hereby regraded to
CONFIDENTIAL in accordance with the
letter of 16 October 1978 from the
